

a festive feast Tom our family farm

We're fairly certain that we're Cirencester's only butchery who grow their own pigs in blankets!

Enjoy a truly Cotswold Christmas this year with our home-grown produce from our family farm at Elkstone. Poppy's family have farmed at High Cross for nearly 100 years and this year we are proud to offer a delicious range of festive centrepieces born and bred on top of the 'wolds.

Home-grown turkeys

NORFOLK BRONZE TURKEYS

4-5kg: £75

5-6kg: £90

6-7kg: £105

7-8kg: £120

8+kg: £135

As a heritage breed, our bronze turkeys are slower growing with superior flavour and fine grained meat to avoid the dreaded dry turkey! We dry pluck all our turkeys ourselves by hand, giving a perfect finish for beautiful crispy skin.

Our turkeys come with giblets and as a whole bird ready for the oven as a standard, but we are more than happy to prepare your turkey free of charge, please let us know any requirements from the following:

- Boned and rolled whole bird (please order any stuffing seperately)
 - Crowned (breasts on the bone)
 - Boneless breasts
- Legs can come either whole, or boned and rolled (a lovely mini-roast for the freezer!)

If you would like your turkey as a 3 bird roast, then please enquire, price will be dependent on your requirements.
